PAPER PIECING

1. Make sure the light and dark 7" x 15" strip pairs are right sides together.
2. Cut a 5 "column" strip of half square triangle paper.
3. Center and pin paper to the layered pair. *See diagram.*
4. Stitch on dotted lines and cut on solid lines to make 20 half square triangle units. Press toward dark.
5. Repeat Steps 1-4 using the remaining 6 strip pairs to make a total of 140 half square triangle units. (You will need 125; save the extras for a future project.)

APPLIQUÉ

Choose your favorite appliqué method to prepare the 14 basket handle blocks and the 24 stars for the alternate blocks.

Basket Handle Blocks – Make 14

Note: Background triangles are slightly oversized. The basket block will be squared after assembly. The following steps are for 1 appliquéd handle block. Each block yields 2 basket handles.

1. Fold a 9½" x 9½" background square in half diagonally both ways. Lightly press to find the center of the block.
2. Use enclosed pattern to make a template to prepare handles from the assorted print fabrics.
3. Center handles on diagonal lines.
4. Appliqué to the background fabric using your favorite method of appliqué.
5. Using a ruler and rotary cutter, cut the block in half on the diagonal. to yield 2 oversized triangles with basket handles. *Note: Center seam allowance for both handles is included in the pattern. Pattern **does not** include seam allowance for appliqué.*

Repeat Steps 1-5 with remaining 9½" x 9½" squares to make a total of 28 basket handles.
